

Health Care Weasels (B) *(tune of "Pop Goes the Weasel")*

By Lee for Tucson Raging Grannies Revised 02/23/25 (starting note D#)

What's worse than a case of meas-les?

Med-i-care Ad-va-an-tage!

Make the CMS wea-ea-ea-sels!

con-fess it's a DIS-ad-va-an-tage!

**Med-i-care for All is the cure,
for our cor-rup-ted hea-ealth-care.**

**There's no other way for sure
to end this corp'rate wealth-care!**

Be-hind the scenes... ACO-REACH

is just a name that's fa-a-ake...

a way to help out cor-pora-tions

who are on the ta-a-ake!

Med-i-care for All is the cure,

Not more ACO-O-Os.

The on-ly thing they do for sure

is care for their in-ve-es-tors!

A huge percent of A-me-er-i-cans

want Med-i-care for A-A-All.

Threat-en Con-gress they will get canned

if they con-tin-ue to sta-a-all!

Med-i-care for All is the cure,

It's the on-ly wa-a-ay!

Co-ver ev'ry-one for sure!

Get pro-fit out to-da-a-ay!

We all need to stand and de-mand

a plan that's real-ly hea-ealth care.

We can't keep our heads in the sand.

STOP this corp'rate wea-ealth-care!

**Congress has to dance to our beat
and pass what we've just ci-i-ted.**

We can vote them out of their seats

If we stand u-ni-i-ted!
