

M4A National Day of Action 2025 *(Tune of "She'll Be Comin Round the Mountain")*

By Lee for Tucson Raging Grannies 01/28/25

**We want Med-i-care for All right here right now!
We're fed up with bein' used as a cash cow!
Mill-ion-aire investors makin' bigger profits really festers
when we're told life-saving treatment's not a-llowed!**

**Health insurance in the U S is so bad!
Now we're witnessing a change that's ver-y sad.
When the man who shot the C E O is now seen as a folk hero
ya' know some major changes must be had!**

**We do NOT condone murder in an-y way!
That in-cludes by claim de-ni-al and de-lay.
So, when C E Os who do it are al-lowed to pro-fit through it,
then we un-der-stand the rage folks feel to-day!**

**We want ev'-ry-bod-y in the U S A
tak-in' to the streets the thir-ty first of May!
That's the day we'll come to-geth-er re-e-gard-less of the wea-ther
to DE-MAND all health-care PRO-FIT swept a-way!!! YAY!!!!!!**
