

MURDERING MEDICARE (Tune of "Bicycle Built For Two")

By Lee for Tucson Raging Grannies 05/11/18 (Revised 10/30/21) (starting note is F)

They're **Mur**-during **Med**-icare. But **not** like you would **think**.
It's **un**-der the **ta**-ble by **meth**-ods that really **stink**!

They're **us**-ing the same old **tact**-ics
that **Big** Box stores have **prac**-ticed.
by **charg**-ing us less
'til **they** have success-
fully **killed** their com-pet-i-tors.

Med-icare Ad-**van**-tage plans are **do**-ing the same thing **SO**...
(pause) **Here** are the **facts** that **they** don't want you to **know**.

Funds for the **perks** they **off**-er
come **from** tax**pay**ers' **coff**-ers.
They **rob** Medicare to
get **more** than what's **fair**
They are **for**-profit **par**-a-sites.

It **adds** to our **woes** that this **tax**-payer money **goes**
to **line** the **pock**-ets of **Med**-icare's biggest **foes**!

The **for**-profits **think** it's **fun**-ny
to **use** Medi-**care**'s own **mon**-ey
luring **sen**-iors a-**way**
'til **one** sad **day**
too **late** they find **out** they've been **had**!

Once all the **health**-y **sen**-iors have been sucked **out**
Med-icare will **then** be shut **do**-own without a **doubt**!

So **con**-tact each Congress-**per**-son
and **don't** buy plans that **wors**-en
the **fu**-ture of all... (pause)
just **cause** they are called... (pause)
an Ad-**van**-tage...
cause **TRUST** us... **THEY'RE NOT**!
