No... more... ACOs!

**They're the reason why
our health-care is in de-cline
while pro-fit's are sky high!**

For man-y dec-ades both par-ties
have ta-ken huge sums from
the corp'rate health-care in-dus-try
to scam our whole na-tion!

**All the while be-hind the scenes
the re-al-i-ty is
they're pri-va-tiz-ing Med-i-care
to make it "Med-i-Biz".**

No... more... ACOs

**find-ing ways to stall
pay-ing claims, when what we want
is MED-I-CARE FOR ALL!**

Health-care is a hu-man right!

No one should be left out!
the an-swer's Med-i-care for All
With it there'll be no doubt!

Our tax mon-ey should ben-e-fit
the en-tire na-tion
not just weal-thy in-ves-tors
in big corp-o-ra-tions!

**Working people are fed up
with the corp'rate lies.
They know we pay bil-lions more
'cause ours is pri-va-tized.**

Medicare for All NOW!
