

**NATIONAL DAY OF ACTION IN COMMUNITIES ACROSS THE COUNTRY**

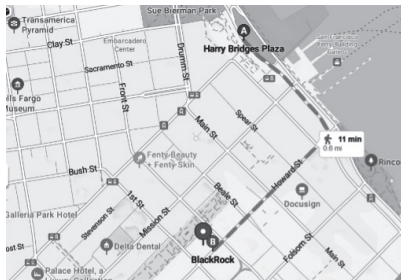

**Saturday, May 31, 2025**

# **Demand Health Not Profit! Put Single Payer on the Nation's Agenda**

**On May 31, march from Harry Bridges Plaza to BlackRock, the world's largest asset manager. BlackRock is the second largest owner of United HealthCare shares, the country's largest for-profit health insurer, largest denier of claims (using AI with a 90% error rate), and largest upcoding scammer, stealing \$3.7 billion from Medicare in one year!**

## **Health care is a human right! Together, let's**

- **Get rid of private health insurance and ban for-profit care.**
- **Pass public national single payer** that covers everyone from cradle to grave.
- **Change health care to serve the people of our country, a system where caregivers are free from corporate control.**
